

# Multi-Functional Metal Speaker

SP-40WR

## DESCRIPTION

High-Quality Sound, All-Weather Performance

The Taska SP-40WR multi-functional metal speaker features a spray-painted aluminum enclosure with a sleek, durable design. Whether used indoors or outdoors, it seamlessly integrates into any environment. Its compact size not only saves space but also allows for flexible and convenient installation, supporting both wall-mount and ceiling-mount installation to meet various application needs.

The speaker is equipped with a 4.5-inch woofer and a 1-inch neodymium tweeter, delivering exceptional sound quality. With an IP56 protection rating, it is designed for reliable all-weather use.

## PRODUCT FEATURES

- | Durable and Reliable Metal Enclosure - Made of aluminum material with spray painting, the enclosure is lightweight yet sturdy, corrosion-resistant, and designed to withstand various environmental conditions.
- | All-Weather Protection - With an IP56 protection rating, this speaker is dustproof and weatherproof, ensuring reliable performance even in harsh weather conditions, making it truly all-weather capable.
- | Flexible Installation - Its compact design supports wall-mount and ceiling-mount installation, making it ideal for various scenarios such as public addressing, conference rooms, shopping malls, and outdoor venues.
- | Professional Connectivity - Equipped with an NL4 weatherproof connector, ensuring stable and reliable connections while enhancing weatherproof performance.

## SPECIFICATION

### Display Parameters

Frequency Range ( $\pm 3\text{dB}$ )	90Hz-20kHz
Speaker Drivers	LF : 1x4.5" (1" VC), HF : 1x1" (1" Neodymium VC)
Speaker Power	60W
Recommended Amplifier	120W into 8 Ohms
Sensitivity	95dB/w/m
Maximum SPL	116dB
Nominal Impedance	16 $\Omega$
Directivity (Horizontal/Vertical)	90° H x 90° V
Enclosure Material	Aluminum
Enclosure Painting Process	Spray Paint
Speaker Grille	Baked paint steel mesh
Connector	1x NL4 Socket (Weather Proof)
Protection Rating	IP56
Product Dimensions	135x155x145mm (HxWxD)
Net Weight	3.0kg
